EXTENSION OF BENEFITS

Except in the case of nonpayment of premium or fraud by the **Covered Person** and for dental care due to a **Covered Injury**, a **Covered Person** is **Totally Disabled** as a result of a **Covered Injury** on the date that coverage under this Benefit would otherwise terminate, benefits under this Accident Medical Expense Benefit for the condition causing the **Total Disability** will continue to be payable until the earliest of the following:

Subrogation

If a **Third Party** is found liable for a **Covered Loss**, **We** have the right to recover from such **Third Party** all payments including future payments, which **We** have made or will make in the future to the **Covered Person** or his or her heirs, guardians or executors or will be obligated to pay in the future to the **Covered Person**. If the **Covered Person** recovers from any **Third Party**, **We** will be reimbursed first from such recovery to the extent of **Our** payments to or on behalf of the **Covered Person** reduced by a pro rata share of any court costs and legal fees incurred by the **Covered Person** which are applicable to the portion of the settlement returned to **Us**. The **Covered Person** agrees to assist **Us** in preserving his or her rights against any **Third Party**, including but not limited to, signing subrogation forms supplied by **Us**.

This benefit is subject to the limitations in SECTION VII - GENERAL LIMITATIONS.

EXTENSION OF BENEFITS

Except in the case of nonpayment of premium, fraud or coverage provided by a succeeding health plan that is provided at a cost to the **Covered Person** that is less than or equal to the cost to the **Covered Person** of the extended benefit and does not result in an interruption of benefits; **We** will provide coverage under this Benefit for a loss that occurs after the date coverage terminated if:

1. an accident occurs while the **Covered Person** is covered; and
2. the **Covered Loss** occurs within 90 days after the accident.

SECTION VII – GENERAL LIMITATIONS

Extension of Benefits. Except in the case of nonpayment of premium or fraud by a **Covered Person**, termination of a **Covered Person's** coverage will not prejudice a benefit that would otherwise be payable provided the **Accident** occurred while coverage was in force and the **Covered Loss** occurs within 90 days of that **Accident**.

Continuation of Coverage for Change in Status

The **Insured** may continue coverage if the **Insured** experiences a change in status which includes: 1) Involuntary termination of the **Insured's** employment other than for cause; and 2) Voluntary termination of the **Insured's** employment by the **Insured** employee. If the **Insured** elects to continue coverage due to a change in status, the **Policy** shall begin on the date of the change in status and end on the earliest of the following:

1. 18 months after the change in status;
2. the date the **Insured** fails to make timely payment as required in continuation of coverage based on a change of status number 2 below;
3. the date on which the **Insured** becomes eligible for hospital, medical, or surgical benefits under an insured or self-insured group health benefit program or plan, other than a group contract, that is written on an expense-incurred basis or is with a health maintenance organization;
4. the date the **Insured** becomes entitled to benefits under Title XVIII of the Social Security Act;

6. the date in which the **Insured** elects to terminate coverage under the group contract; or
7. the date on which the employer ceases to provide benefits to its employees under a group contract.

Continuation of coverage based on a change of status shall:

1. be provided without evidence of insurability or additional waiting periods;
2. require the **Insured** to pay to the employer an amount that does not exceed:
 - a. the sum of the employer contribution and any contribution that the **Insured** would have been required to pay if there had not been a change in status; and
 - b. a reasonable administrative fee that is subject to review and approval by the Commissioner.
3. allow the payment of the amount specified in item 2 of this sub-section in monthly installments if the **Insured** elects to do so;
4. be identical to the coverage offered under this **Policy** to similarly situated individuals for whom there has not been a change in status;
5. be available to the **Spouse** and **Dependent Children** of the **Insured** if the **Insured's Spouse** and **Dependent Children** were covered under the **Policy** before the change in status.

For continuation of coverage under this section, an **Insured** or authorized representative shall submit a signed notification form to the **Insured's** employer. Within fourteen (14) days after receipt of a request for a notification form, the employer shall deliver or send by first class mail the notification form to the **Insured** or authorized representative.

We will issue a certificate to the **Insured** which shall include a statement that advises: 1) the availability of continuation coverage under this section; 2) a summary of the eligibility for and duration of the continuation coverage and the procedure for requesting to receive continuation coverage if a change of status occurs.

We shall provide continuous open enrollment for the purposes of allowing a married **Insured** who is enrolled under this **Policy** to alter the terms of the **Insured's** coverage to include the **Insured's Spouse** or **Dependent Children** if the **Insured's Spouse** loses coverage under another Accident policy because of the involuntary termination of the **Spouses** employment other than for cause. We will not require evidence of insurability for a **Spouse** who qualifies for coverage under this section. The **Insured** who wishes to alter the terms of their coverage shall notify the employer within six (6) months after the date on which the coverage of the **Insured's Spouses** policy terminates.

Continuation of Coverage For Death of **Insured**

If this **Policy** is in force on the date of death of the **Insured**, we shall provide continuation coverage to a qualified secondary beneficiary. A qualified secondary beneficiary is 1) the **Spouse** of the **Insured** at least 30 days immediately preceding the death of the **Insured**; and 2) **Dependent Child(ren)**, which includes a child who was covered under this **Policy** prior to the death of the **Insured**; or who is a child of the **Insured's** but was born to the surviving **Spouse** after the **Insured's** death. For continuation of coverage, coverage shall begin on the date of death of the **Insured** and end on the earliest of:

1. 18 months after the death of the **Insured**;
2. the date the qualified secondary beneficiary fails to make timely payment as required in continuation of coverage number 2 below;
3. the date on which the qualified secondary beneficiary becomes eligible for hospital, medical, or surgical benefits under an insured or self-insured group health benefit program or plan, other than a group contract, that is written on an expense-incurred basis or is with a health maintenance organization;
4. the date the qualified secondary beneficiary becomes entitled to benefits under Title XVIII of the Social Security Act;
5. the date on which the qualified secondary beneficiary accepts hospital, medical, surgical coverage under a non-group contract of policy that is written on an expense-incurred basis or is with a health maintenance organization;
6. the date in which the qualified secondary beneficiary elects to terminate coverage under the group contract;
7. the date on which the employer ceases to provide benefits to its employees under a group contract; or
8. for an individual who is a qualified secondary beneficiary by reason of having been a **Dependent Child**, the date on which the individual would no longer be covered under this **Policy** had the **Insured** not died.

Continuation of coverage shall:

1. be provided without evidence of insurability or additional waiting periods;
2. require the qualified secondary beneficiary to pay to the employer an amount that does not exceed:
 - a. the sum of the employer contribution and any contribution that the **Insured** would have been required to pay if there had not been a change in status; and
 - b. a reasonable administrative fee that is subject to review and approval by the Commissioner.
3. allow the payment of the amount specified in item 2 of this sub-section in monthly installments if the qualified secondary beneficiary elects to do so;
4. be identical to the coverage offered under this **Policy** to similarly situated individuals for whom there has not been a change in status.

For continuation of coverage under this section, a qualified secondary beneficiary or authorized representative shall submit a signed notification form to the **Insured's** employer. Within fourteen (14) days after receipt of a request for a notification form, the employer shall deliver or send by first class mail the notification form to the **Insured** or authorized representative.

We will issue a certificate to the qualified secondary beneficiary which shall include a statement that advises: 1) the availability of continuation coverage under this section; 2) a summary of the eligibility for and duration of the continuation coverage and the procedure for making an election to receive continuation coverage if a change of status occurs.

Continuation of Coverage – Divorced Spouses

A qualified secondary beneficiary may continue coverage if the **Insured** experiences a change in status. Change in status means the divorce of the **Insured** and the **Insured's Spouse**. For purposes of this section, a qualified secondary beneficiary

is: 1) the **Spouse** of the **Insured** at least 30 days immediately preceding the change in status; and 2) **Dependent Child(ren)**, which includes a child who was covered under this **Policy** immediately preceding the change in status or who is a child of the **Insured's** but was born to the **Spouse** after the change in status. If the qualified secondary beneficiary continues coverage due to a change in status, the **Policy** shall begin on the date of the change in status and end on the earliest of the following:

1. the date on which the qualified secondary beneficiary becomes eligible for hospital, medical, or surgical benefits under an insured or self-insured group health benefit program or plan, other than a group contract, that is written on an expense-incurred basis or is with a health maintenance organization;
2. the date the qualified secondary beneficiary becomes entitled to benefits under Title XVIII of the Social Security Act;
3. the date on which the qualified secondary beneficiary accepts hospital, medical, surgical coverage under a non-group contract or policy that is written on an expense-incurred basis or is with a health maintenance organization;
4. the date in which the qualified secondary beneficiary elects to terminate coverage under the group contract;
5. for an individual who is a qualified secondary beneficiary by reason of having been a **Dependent Child**, the date on which the individual would no longer be covered under this **Policy** if there had not been a change in status;
6. for an individual who is a qualified secondary beneficiary by reason of having been the **Insured's Spouse**, the date on which the individual remarries.

Continuation of coverage shall be identical to the coverage offered under this **Policy** to similarly situated individuals for whom there has not been a change in status.

From the date of the change in status until the date on which a **Termination Statement** is received by the employer, the **Insured** shall pay the employer, through payroll deduction or as otherwise determined by the employer the sum of the employer's contribution for a qualified secondary beneficiary the amount of the contribution that would have been paid by the **Insured** if there had not been a change in status. The additional costs payable by the **Insured** may be allocated between the **Insured** and the qualified secondary beneficiary who was the **Insured's Spouse** or may be reimbursed in full to the **Insured** by the qualified secondary beneficiary by agreement between the parties, or as equity may require, by court order under the Family Law Article of Maryland.

We will issue a certificate to the qualified secondary beneficiary once the qualified beneficiary or authorized representative notify the **Insured's** employer regarding the change in status.

For purposes of Section D Continuation of Coverage – Divorced Spouses, the following definition applies:

Termination Statement means written notice of an event specified above in this section:

1. provided to the employer on a form that the Commissioner prescribes; and
2. signed by the **Insured** and a qualified secondary beneficiary or accompanied by the **Insured's** signed and sworn affidavit that verifies all facts in the termination statement.

Continuation of Coverage – Death of Spouse

This **Policy** provides a benefit for the addition of an **Insured's Dependent Child(ren)** at any time and without evidence of insurability if:

1. the **Dependent Child(ren)** previously were covered under the policy of the **Insured's Spouse**; and
2. the **Insured's Spouse** has died.

From the date of the death of the **Spouse** until the date on which a **Termination Statement** is received by the employer, the **Insured** shall pay the employer, through payroll deduction or as otherwise determined by the employer the sum of the employer's contribution for the **Dependent Children**.

Within 6 months after the death of the **Spouse**, the **Insured** must exercise the benefit provided under this section.

SECTION IX - HOW TO FILE A CLAIM

- A. Notice. **You** or the beneficiary, or someone on their behalf, must give **Us** written notice of the **Covered Loss** within ninety (90) days of such **Covered Loss**. Failure to provide notice within the required time will not invalidate or reduce a claim if it was not reasonably possible to provide notice in such time, and notice was provided as soon thereafter as reasonably possible. The written notice of claim is not required before twenty (20) days after the occurrence or commencement of the loss. The notice must name the **Covered Person** who sustained the **Injury, You**, and the Policy Number. To request a claim form, **You** or the beneficiary, or someone on their behalf may contact **Us** at

Administrative Concepts, Inc.
P.O. Box 4000
Collegeville, PA 19426
(800) 410-9153
EDI Payor ID: 22384

The notice must be sent to the Claims Department, Zurich American Insurance Company, Administrative Concepts, Inc., or any of **Our** agents. Notice to **Our** agents is considered notice to **Us**.

- B. Claim Forms. **We** will send the claimant Proof of Covered Loss forms within fifteen (15) days after **We** receive notice. If the claimant does not receive the Proof of Covered Loss Form in fifteen (15) days after **We** receive notice, the claimant is considered to have complied with the requirement of the Policy as to Proof of Loss if the claimant submits, within the time fixed in the Policy for filing Proof of Loss, written proof of the occurrence, character, and extent of the loss for which the claim is made.
- C. Proof of Loss. Written Proof of Loss must be sent to **Us** within ninety (90) days of the **Covered Loss** or within 90 days after the commencement of the period for which the carrier is liable, and the subsequent written proofs that the disability continues shall be furnished to the carrier at the intervals that the carrier reasonably requires. Failure to furnish Proof of Loss within the time required does not invalidate or reduce a claim if it was not reasonably possible to submit the proof within the required time, if the proof is furnished as soon as reasonably possible and, except in the absence of legal capacity of the claimant, not later than one (1) year from the time proof is otherwise required.

SECTION X - PAYMENT OF CLAIMS

- A. Time of Payment. **We** will pay claims for all **Covered Losses**, other than **Covered Losses** for which the **Policy** provides any periodic payment, within thirty (30) days of receipt of written Proof of Loss. Unless an optional periodic payment is stated or chosen, any **Covered Loss** to be paid in periodic payments will be paid at the end of each four-week period. The unpaid balance, which remains when **Our** liability ends, will then be paid when **We** receive the proof of **Covered Loss**.
- B. Who We Will Pay.
1. Loss of Life of **You**. **Covered Losses** resulting from **Your** death are paid to the named beneficiary at the time of death. If there is no beneficiary named or the named beneficiary predeceases or dies at the same time as **You**, **We** will pay the benefit to the **Insured's** named contingent beneficiary. If there is no beneficiary or contingent beneficiary named by **You** for the **Policyholder's** Group Life Insurance policy, or the named beneficiary or contingent beneficiary predeceases or dies at the same time as **You**, **We** will pay the benefit to **Your** survivors in the following order:
 - a. **Your** legally married **Spouse/Domestic Partner**;
 - b. **Your Dependent Child(ren)**;
 - c. **Your** parents;
 - d. **Your** brothers and sisters;
 - e. **Your** estate.
 2. Loss of Life of a **Covered Person** other than **You**. **Covered Losses** for the death of a **Covered Person** other than **You** will be paid to **You**. If **You** pre-decease or die at the same time as the **Covered Person** other than **You**, the

benefit will be paid to the beneficiary unless the beneficiary designation has not been made or the beneficiary is no longer living at the time of death. In such case, the benefits will be paid to **Your** estate.

3. All Other Claims. Benefits are to be paid to the **Covered Person**.

- C. Physical Examination and Autopsy. **We** have the right to examine a **Covered Person** when and as often as **We** may reasonably request while the claim is pending. Such examination will be at **Our** expense. **We** can, at **Our** expense, have an autopsy performed unless forbidden by law.
- D. Choice of Service Provider. The **Covered Person** has the sole right to choose his or her **Physician** and **Hospital**.
- E. Prohibited Referral. We will not make payment of any claim, bill, or other demand or request for payment for health care services that the appropriate regulatory board determines were provided as a result of a prohibited referral.

SECTION XI - GENERAL POLICY CONDITIONS

This section applies to all Hazards, Coverages and Benefits unless otherwise stated.

- A. Beneficiaries. **You** have the sole right to name a beneficiary. The beneficiary has no interest in the **Policy** other than to receive certain payments. **You** may change the beneficiary at any time unless **You** have assigned the interest in the **Policy**. In such case, the person to whom **You** have assigned the interest in the **Policy** may have the right to change the beneficiary. Consent to a change by a prior beneficiary is not needed unless the previous beneficiary was designated as irrevocable. Any beneficiary designation must be submitted to **Us** in writing.
- B. Change or Waiver. A change or waiver of any terms or conditions of the **Policy** must be issued by **Us** in writing and signed by one of **Our** officers. No such change is valid unless endorsed on this **Policy** or attached to this **Policy**. No agent has authority to change or waive **Policy** terms or conditions. A failure to exercise any of **Our** rights under the **Policy** will not be deemed as a waiver of such rights in the same or future situations.
- C. Clerical Error. A clerical error or omission will not increase or continue **Your** Coverage, which otherwise would not be in force. If **You** apply for insurance for which **You** are not eligible, **We** will only be liable for any premiums paid to **Us**.
- D. Suit Against Us. No action on the **Policy** may be brought until sixty (60) days after written proof of **Covered Loss** has been sent to **Us**. Any action must commence within three (3) years of the date the written proof of **Covered Loss** was required to be submitted. If the law of the state where the **Covered Person** lives makes such limit void, then the action must begin within the shortest time period permitted by law.
- E. Contestability of Coverage. In the absence of fraud, statements made by the **Policyholder** or a **Covered Person** are deemed representations and not warranties. No such statement will cause **Us** to deny or reduce the benefits due under the **Policy** or be used as a defense of a claim, unless it is contained in a signed written application, a copy of which is provided to the **Policyholder** or a **Covered Person**. A statement made by any person covered under the policy relating to insurability may not be used in contesting the validity of the insurance with respect to which the statement was made after the insurance has been in force before the contest for a period of 2 years during the person's lifetime. This **Policy** may not be contested, except for nonpayment of premiums, after it has been in force for two (2) years from its date of issue.
- F. Arbitration. Any contest to a claim denial under the **Policy** may be settled by binding arbitration at the **Covered Person's** option. Arbitration will be administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. The arbitration will occur at the offices of the American Arbitration Association nearest to the **Covered Person**. The arbitrator(s) will not award consequential or punitive damages in any arbitration under this section. This provision does not apply if the **Covered Person** is a resident of a state where the law does not allow binding arbitration in an insurance policy, but only if the **Policy** is subject to its laws. In such a case, binding arbitration does not apply. Agreement to binding arbitration bars the institution of lawsuit by the **Covered Person**.

Privacy Notice

We Take Important Steps to Protect the Nonpublic Personal Information We Collect About You

Dear Customer:

rev. January 2020

We care about your privacy. That is why we believe in your right to know what nonpublic personal information (“NPI”) we collect about you and what we do with that information. This Privacy Notice describes the NPI we collect about you and how we share and protect that information.

Overview	UNDERSTANDING HOW WE USE YOUR PERSONAL INFORMATION
Why are you receiving this Notice?	Financial institutions, which include the Company, choose how they share your NPI. Federal and state law gives consumers the right to limit some but not all sharing of that information. Federal law also requires us to tell you how we collect, share and safeguard your NPI. You are receiving this Privacy Notice because our records show either that you are a customer who is obtaining or has obtained insurance coverage or non-insurance products or services.
What types of Information do we collect?	The types of NPI we collect depend on the product or service you have with us. This information can include: • Information about you we receive on applications or other forms, such as your name, address, telephone number, date of birth, your social security number, driver's license number, employment information, information about your income, assets and net worth, and medical information; • Information about your transactions with the Company and its affiliates; • Information about your insurance coverage, premiums, claims history, and payment history; • Data from insurance support organizations, government agencies, insurance information sharing bureaus; • Property information and similar data about you or your property, such as property appraisal reports; and • Information we receive from a consumer reporting agency or insurance information sharing bureau, such as a credit or fraud report. When your relationship with us ends, we may continue to share information about you as described in this Privacy Notice.
What do we do with the NPI we collect?	We share your NPI in the course of supporting your insurance coverage or non-insurance products or services, as authorized by law, or with your consent. This includes sharing, as permitted by law, your NPI with affiliated parties and nonaffiliated third parties, as applicable, in the course of supporting your insurance coverage or non-insurance products. These affiliates and nonaffiliated third parties include: • Financial service providers, such as banks and other insurance companies; • Non-financial companies, such as medical providers and nonaffiliated service providers that perform marketing services on our behalf; and • Others, such as consumer reporting agencies and insurance information sharing bureaus. In the section below, we list the reasons we can share your NPI, whether we actually share your NPI, and whether you can opt out of this sharing (or if you are a resident of Vermont, whether you have the right to opt in to allowing this sharing).

Please review the privacy policy posted on our website, ZurichNA.com. It contains additional information about our practices.
Why do you collect my NPI?	We collect NPI when you apply for insurance or file an insurance claim to help us provide you with our insurance products and services, and determine your insurability or other eligibility.
