Dental insurance policies featuring the Preferred Dentist Program are underwritten by Metropolitan Life Insurance Company, New York, NY 10166. Like most group benefits programs, benefit programs offered by MetLife and its affiliates contain certain exclusions, exceptions, waiting periods, reductions, limitations and terms for keeping them in force. You may be financially responsible for copayments, deductibles, or any other amounts in excess of those MetLife is required to pay for covered services as described in your dental certificate and/or policy. Ask your MetLife representative for costs and complete details.

*Payment for out-of-network services is based on the lesser of the dentist's actual fee or the Maximum Allowable Charge (MAC). The out-of-network Maximum Allowable Charge is a scheduled amount determined by MetLife.

This brochure provides a brief summary of benefits. For a complete listing of benefits, exclusions, and limitations, please refer to the certificate of coverage.
