DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS

Procedures for Presenting Claims for Dental Insurance Benefits

All claim forms needed to file for Dental Insurance benefits under the group insurance program can be obtained from the Policyholder who can also answer questions about the insurance benefits and to assist You or, if applicable, Your beneficiary in filing claims. Dental claim forms can also be downloaded from www.metlife.com/dental. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim. Be sure all questions are answered fully.

Routine Questions on Dental Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-438-6388.

Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Initial Determination

After You submit a claim for Dental Insurance benefits to MetLife, MetLife will review Your claim and notify You of its decision to approve or deny Your claim.

If Your claim is a Clean Claim and it is approved by MetLife, benefits will be paid within 25 days after MetLife receives due written proof in electronic form of a covered loss, or within 35 days after receipt of due written proof in paper form of a covered loss. Due written proof includes, but is not limited to, information essential for Us to administer coordination of benefits. If You provide Us with Written direction that all or a portion of any benefits provided under this certificate be paid to the Dentist, then We shall pay directly the Dentist providing the Covered Services. That payment shall be considered payment in full to the Dentist, who may not bill or collect from You any amount above that payment, other than the deductible, coinsurance, copayment or other charges for equipment or services requested by You that are not covered for benefits. Any dispute arising under these provisions regarding assignment of benefits and billing may be resolved by the Commissioner of Insurance.

"Clean Claim" means a claim that:

- does not require further information, adjustment or alteration by You or the provider of the services in order for MetLife to process and pay it;
- does not have any defects;
- does not have any impropriety, including any lack of supporting documentation; and
- does not involve a particular circumstance required special treatment that substantially prevents timely payments from being made on the claim.

A Clean Claim does not include a claim submitted by a provider more than 30 days after the date of service, or if the provider does not submit the claim on Your behalf, a claim submitted more than 30 days after the date the provider bills You. Errors, such as system errors, attributable to the insurer, do not change the clean claim status.

If MetLife is unable to pay a claim for Dental Insurance benefits because MetLife needs additional information or documentation, or there is a particular circumstance requiring special treatment, within 25 days after the date MetLife receives the claim if it is submitted in electronic form, or within 35 days after the date MetLife receives the claim if it is submitted in paper form, MetLife will send You notice of what supporting documentation or information MetLife needs. Any claim or portion of a claim for Dental Insurance benefits that is resubmitted with all of the supporting documentation requested in Our notice and becomes payable will be paid to You within 20 days after MetLife receives it.

NOTICE FOR RESIDENTS OF MISSISSIPPI (continued)

Clean Claim (Continued)

If MetLife does not deny payment of such benefits to You by the end of the 25 day period for clean claims submitted in electronic form, or 35 day period for clean claims submitted in paper form, and such benefits remain due and payable to You, interest will accrue on the amount of such benefits at the rate of 3 percent per month until such benefits are finally settled. If MetLife does not pay benefits to You when due and payable, You may bring action to recover such benefits, any interest which has accrued with respect to such benefits and any other damages which may be allowed by law. MetLife will pay benefits when MetLife receives satisfactory Written proof of Your claim.

Proof must be given to MetLife not later than 90 days after the end of the Dental Expense Period in which the Covered Dental Expenses were incurred. If proof is not given on time, the delay will not cause a claim to be denied or reduced as long as the proof is given as soon as possible.

Appealing the Initial Determination

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why You are appealing the initial determination.

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 in disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS

Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Appealing the Initial Determination

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee;
- Name of the Plan;
- Reference to the initial decision;
- Whether the appeal is the first or second appeal of the initial determination;
- An explanation why You are appealing the initial determination.

As part of each appeal You may submit any written comments, documents, records or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final determination within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the 30 day period, state the reason(s) why an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

Policies and Procedures for Emergency and Urgent Care

Urgent care and Emergency services: All member dentists of the MetLife Preferred Dentist Program (PDP) are required to have 24-hour emergency coverage or have alternate arrangements for emergency care for their patients. Since the MetLife Preferred Dentist Program is a freedom-of-choice PPO program, there is no primary care physician. No authorization of a service is necessary by a Primary Care Physician, nor is it necessary to obtain a pre-authorization of services. The patient is free to use the dentist of their choice.

NOTICE TO RESIDENTS OF VIRGINIA (continued)

An important distinction to be made for this section is the difference between Urgent Care in a dental situation versus that found in medical. Urgent care is defined more narrowly in dental to mean the alleviation of severe pain (as there are no life-threatening situations in dental). Additionally, the alleviation of pain in dental is a simple palliative treatment, which is not subject to claim review.

The benefit amount will be consistent with the terms contained in the insured's contract.

Urgent Care Submission:

A small number of claims for dental expense benefits may be urgent care claims. Urgent care claims for dental expense benefits are claims for reimbursement of dental expenses for services which a dentist familiar with the dental condition determines would subject the patient to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. Of course any such claim may always be submitted in accordance with the normal claim procedures. However your dentist may also submit such a claim to MetLife by telephoning MetLife and informing MetLife that the claim is an Urgent Care Claim. Urgent Care Claims are processed according to the procedures set out above, however once a claim for urgent care is submitted MetLife will notify you of the determination on the claim as soon as possible, but no later than 72 hours after the claim is filed. If you or your covered dependent does not provide the claims administrator with enough information to decide the claim, MetLife will notify you within 24 hours after it receives the claim of the further information that is needed. You will have 48 hours to provide the information. If the needed information is provided, MetLife will then notify you of the claim decision within 48 hours after MetLife received the information. If the needed information is not provided, MetLife will notify you or your covered dependent of its decision within 120 hours after the claim was received.

If your urgent care claim is denied but you receive the care, you may appeal the denial using the normal claim procedures. If your urgent care claim is denied and you do not receive the care, you can request an expedited appeal of your claim denial by phone or in writing. MetLife will provide you any necessary information to assist you in your appeal. MetLife will then notify you of its decision within 72 hours of your request in writing. However, MetLife may notify you by phone within the same time frames above and then mail you a written notice.

NOTICE FOR RESIDENTS OF WEST VIRGINIA

If You are a resident of West Virginia, and live in a county where there is no In-Network Dentists and travel distance to an In-Network Dentist is more than 30 minutes travel time and 15 miles away, We will pay benefits for Covered Services provided by an Out-of- Network Dentist as if the service was provided by an In-Network Dentist. In order to ensure that the benefits are paid accordingly, We must be notified prior to receiving services from an Out-of-Network Dentist. Please call Us at 1-800-942-0854 for assistance.

6. HOW TO ACCESS YOUR SERVICES AND OBTAIN APPROVAL OF BENEFITS

If a Covered Person incurs a charge for a Covered Service, Proof of such service must be sent to Us. When We receive such Proof, We will review the claim and if We approve it, will pay the insurance in effect on the date that service was completed.

This Dental Insurance gives You access to Dentists through the MetLife Preferred Dentist Program (PDP). Dentists participating in the PDP have agreed to limit their charge for a dental service to the Maximum Allowed Charge for such service. Under the PDP, We pay benefits for Covered Services performed by either In-Network Dentists or Out-of-Network Dentists. However, You may be able to reduce Your out-of-pocket costs by using an In-Network Dentist because Out-of-Network Dentists have not entered into an agreement with Us to limit their charges. You are always free to receive services from any Dentist. You do not need any authorization from Us to choose a Dentist.

The PDP does not provide dental services. Whether or not benefits are available for a particular service, does not mean You should or should not receive the service. You and Your Dentist have the right and are responsible at all times for choosing the course of treatment and services to be performed. After services have been performed, We will determine the extent to which benefits, if any, are payable.

When requesting a Covered Service from an In-Network Dentist, We recommend that You:

- identify Yourself as an insured in the Preferred Dentist Program; and
- confirm that the Dentist is currently an In-Network Dentist at the time that the Covered Service is performed.

The amount of the benefit will not be affected by whether or not You identify Yourself as a member in the Preferred Dentist Program.

You can obtain a customized listing of MetLife's In-Network Dentists either by calling 1-800-438-6388 or by visiting Our website at www.metlife.com/dental.

7. BENEFITS / COVERAGE (WHAT IS COVERED)

The PDP does not provide dental services. Whether or not benefits are available for a particular service, does not mean You should or should not receive the service. You and Your Dentist have the right and are responsible at all times for choosing the course of treatment and services to be performed. After services have been performed, We will determine the extent to which benefits, if any, are payable.

When requesting a Covered Service from an In-Network Dentist, We recommend that You:

- identify Yourself as an insured in the Preferred Dentist Program; and
- confirm that the Dentist is currently an In-Network Dentist at the time that the Covered Service is performed.

The amount of the benefit will not be affected by whether or not You identify Yourself as a member in the Preferred Dentist Program.

The payment or reimbursement for an Out-Of-Network Dentist shall be the same as the payment or reimbursement for an In-Network Dentist who charges the same amount.

You can obtain a customized listing of MetLife's In-Network Dentists either by calling 1-800-438-6388 or by visiting Our website at www.metlife.com/dental.

BENEFIT AMOUNTS

We will pay benefits in an amount equal to the Covered Percentage for charges incurred by a Covered Person for a Covered Service as shown in the SCHEDULE OF BENEFITS, subject to the conditions set forth in this certificate.

In-Network

If a Covered Service is performed by an In-Network Dentist, We will base the benefit on the Covered Percentage of the Maximum Allowed Charge.

If an In-Network Dentist performs a Covered Service, You will be responsible for paying:

- the Deductible; and
- any other part of the Maximum Allowed Charge for which We do not pay benefits.

Out-of-Network

If a Covered Service is performed by an Out-of-Network Dentist, We will base the benefit on the Covered Percentage of the Maximum Allowed Charge.

Out-of-Network Dentists may charge You more than the Maximum Allowed Charge. If an Out-of-Network Dentist performs a Covered Service, You will be responsible for paying:

- the Deductible;
- any other part of the Maximum Allowed Charge for which We do not pay benefits; and
- any amount in excess of the Maximum Allowed Charge charged by the Out-of-Network Dentist.

Maximum Benefit Amounts

The SCHEDULE OF BENEFITS sets forth Maximum Benefit Amounts We will pay for Covered Services received In-Network and Out-of-Network. We will never pay more than the greater of the In-Network Maximum Benefit Amount or the Out-of-Network Maximum Benefit Amount.

For example, if a Covered Service is received Out-of-Network and We pay \$300 in benefits for such service, \$300 will be applied toward both the In-Network and the Out-of-Network Maximum Benefit Amounts applicable to such service.

7. BENEFITS / COVERAGE (WHAT IS COVERED) (Continued)

Deductibles

The Deductible amounts are shown in the SCHEDULE OF BENEFITS.

The Yearly Individual Deductible is the amount that each Covered Person must pay for Covered Services to which such Deductible applies each Year before We will pay benefits for such Covered Services.

The amount We apply toward satisfaction of a Deductible for a Covered Service is the amount We use to determine benefits for such service. The Deductible Amount will be applied based on when Dental Insurance claims for Covered Services are processed by Us. The Deductible Amount will be applied to Covered Services in the order that Dental Insurance claims for Covered Services are processed by Us regardless of when a Covered Service is "incurred". When several Covered Services are incurred on the same date and Dental Insurance benefits are claimed as part of the same claim, the Deductible Amount is applied based on the Covered Percentage applicable to each Covered Service. The Deductible Amount will be applied in the order of highest Covered Percentage to lowest Covered Percentage.

Alternate Benefit

If We determine that a service, less costly than the Covered Service the Dentist performed, could have been performed to treat a dental condition, We will pay benefits based upon the less costly service if such service:

- would produce a professionally acceptable result under generally accepted dental standards; and
- would qualify as a Covered Service.

For example:

- when a filling and an inlay are both professionally acceptable methods for treating tooth decay or breakdown, We may base Our benefit determination upon the filling which is the less costly service;
- when a filling and a crown are both professionally acceptable methods for treating tooth decay or breakdown, We may base Our benefit determination upon the filling which is the less costly service; and
- when a partial denture and fixed bridgework are both professionally acceptable methods for replacing multiple missing teeth in an arch, We may base Our benefit determination upon the partial denture which is the less costly service.

If We pay benefits based upon a less costly service in accordance with this subsection, the Dentist may charge the Covered Person for the difference between the service that was performed and the less costly service. This is the case even if the service is performed by an In-Network Dentist.

Certain comprehensive dental services have multiple steps associated with them. These steps can be completed at one time or during multiple sessions. For benefit purposes under this certificate, these separate steps of one service are considered to be part of the more comprehensive service. Even if the dentist submits separate bills, the total benefit payable for all related charges will be limited by the maximum benefit payable for the more comprehensive service. For example, root canal therapy includes x-rays, opening of the pulp chamber, additional x-rays, and filling of the chamber. Although these services may be performed in multiple sessions, they all constitute root canal therapy. Therefore, We will only pay benefits for the root canal therapy.

7. BENEFITS / COVERAGE (WHAT IS COVERED) (Continued)

Pretreatment Estimate of Benefits

If a planned dental service is expected to cost more than \$300, You have the option of requesting a pretreatment estimate of benefits. The Dentist should submit a claim detailing the services to be performed and the amount to be charged. After We receive this information, We will provide You with an estimate of the Dental Insurance benefits available for the service. The estimate is not a guarantee of the amount We will pay. Under the Alternate Benefit provision, benefits may be based on the cost of a service other than the service that You choose. You are required to submit Proof on or after the date the dental service is completed in order for Us to pay a benefit for such service.

The pretreatment estimate of benefits is only an estimate of benefits available for proposed dental services. You are not required to obtain a pretreatment estimate of benefits. As always, You or Your Dependent and the Dentist are responsible for choosing the services to be performed.

Benefits We Will Pay After Insurance Ends

We will pay benefits for a 31 day period after Your insurance ends for the completion of installation of a prosthetic device if:

- the Dentist prepared the abutment teeth or made impressions before Your insurance ends; and
- the device is installed within 31 days after the date the insurance ends.

We will pay benefits for a 31 day period after Your insurance ends for the completion of installation of a Cast Restoration if:

- the Dentist prepared the tooth for the Cast Restoration before Your insurance ends; and
- the Cast Restoration is installed within 31 days after the date the insurance ends.

We will pay benefits for a 31 day period after Your insurance ends for completion of root canal therapy if:

- the Dentist opened into the pulp chamber before Your insurance ends; and
- the treatment is finished within 31 days after the date the insurance ends.

8. LIMITATIONS / EXCLUSIONS (WHAT IS NOT COVERED AND PRE-EXISTING CONDITIONS)

Please refer to the SCHEDULE OF BENEFITS (WHO PAYS WHAT) for a list of exclusions and limitations for the insurance described in this certificate.

9. PAYMENT RESPONSIBILITY

Notice Regarding Your Rights and Responsibilities

Rights:

- We will treat communications, financial records and records pertaining to Your care in accordance with all applicable laws relating to privacy.
- Decisions with respect to dental treatment are the responsibility of You and the Dentist. We neither require nor prohibit any specified treatment. However, only certain specified services are covered for benefits. Please see the Dental Insurance sections of this certificate for more details.
- You may request a pre-treatment estimate of benefits for the dental services to be provided. However, actual benefits will be determined after treatment has been performed.
- You may request a written response from MetLife to any written concern or complaint.
- You have the right to receive an explanation of benefits which describes the benefit determinations for Your dental insurance.

Responsibilities:

- You are responsible for the prompt payment of any charges for services performed by the Dentist. If the dentist agrees to accept part of the payment directly from MetLife, You are responsible for prompt payment of the remaining part of the dentist's charge.
- You should consult with the Dentist about treatment options, proposed and potential procedures, anticipated outcomes, potential risks, anticipated benefits and alternatives. You should share with the Dentist the most current, complete and accurate information about Your medical and dental history and current conditions and medications.
- You should follow the treatment plans and health care recommendations agreed upon by You and the Dentist.

10. CLAIMS PROCEDURE (HOW TO FILE A CLAIM)

All claim forms needed to file for Dental Insurance benefits under the group insurance program can be obtained from the Policyholder who can also answer questions about the insurance benefits and to assist You or, if applicable, Your beneficiary in filing claims. Dental claim forms can also be downloaded from www.metlife.com/dental. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim. Be sure all questions are answered fully.

Routine Questions on Dental Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-275-4638.

Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required Proof to Us within 90 days after the date of any loss covered under this policy. Failure to furnish such Proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give Proof within such time, provided such Proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time Proof is otherwise required.

Claim forms must be submitted in accordance with the instructions on the claim form.

Initial Determination

After You submit a claim for Dental Insurance benefits to Us, We will review Your claim and notify You of Our decision to approve or deny Your claim.

If Your claim is a Clean Claim and it is approved by Us, benefits will be paid within 30 calendar days after We receive due written Proof of a covered loss in electronic format, or within 45 calendar days after receipt of due written Proof of a covered loss in any other format. Due written Proof includes, but is not limited to, information needed for Us to administer coordination of benefits.

“Clean Claim” means a claim that:

- is submitted on the appropriate form (the American Dental Association Dental Claim Form);
- does not require further information, adjustment or alteration by You or the provider of the services in order for Us to process and pay it;
- does not have any defects or impropriety, including any lack of supporting documentation; and
- does not involve a circumstance requiring special treatment that prevents timely payments from being made on the claim.

If We are unable to pay a claim for Dental Insurance benefits because We need additional information or documentation, or there is a circumstance requiring special treatment, We will send You notice of what supporting documentation or information We need within 30 calendar days after the date We receive such claim. We must receive the requested documentation or information within 30 calendar days after the request is received. The claim will remain open until the requested documentation or information needed to resolve the claim is received or for at least 30 calendar days after a request for additional information is sent, whichever occurs first.

In any case, absent fraud, all claims except Clean Claims received on a timely basis shall be paid, denied, or settled within 90 calendar days after Our receipt of such claim.

If We do not pay, deny, or settle a Clean Claim or request additional information or documentation within the time periods noted above, We will pay interest at the rate of 10 percent annually on the total benefit amount ultimately allowed on the claim, accruing from the last day of the periods noted above.

If We do not pay, deny, or settle a claim within 90 calendar days, We will pay a penalty at the rate of 20 percent of the total benefit amount ultimately allowed on the claim. Such penalty shall be imposed on the 91st day following our receipt of the claim.

10. CLAIMS PROCEDURE (HOW TO FILE A CLAIM) (Continued)

If We deny Your claim in whole or in part, the notification of the claims decision will state the reason why Your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied based on a service not being Dentally Necessary or experimental in nature, the notification of the claims decision will state the scientific or clinical basis for the determination. If the claim is denied because We did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criterion was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge.

11. GENERAL POLICY PROVISIONS

Assignment

The rights and benefits under the Group Policy are not assignable prior to a claim for benefits, except as required by law. We are not responsible for the validity of an assignment.

Upon receipt of a Covered Service, You may assign Dental Insurance benefits to the Dentist providing such service.

Who We Will Pay

If You assign payment of Dental Insurance benefits to the Covered Person's Dentist, We will pay benefits directly to the Dentist. Otherwise, We will pay Dental Insurance benefits to You.

Entire Contract

Your insurance is provided under a contract of group insurance with the Policyholder. The entire contract with the Policyholder is made up of the following:

1. the Group Policy and its Exhibits, including the certificate(s) attached to the Group Policy as Exhibits;
2. the Policyholder's application; and
3. any amendments and/or endorsements to the Group Policy.

Incontestability: Statements Made by Covered Person

Any statement made by Covered Persons will be considered a representation and not a warranty.

Evidence of insurability will not be required nor will any statement made by a Covered Person, which relates to insurability, be used:

1. to contest the validity of the insurance benefits; or
2. to reduce the insurance benefits.

Conformity with Law

If the terms and provisions of this certificate do not conform to any applicable law, this certificate shall be interpreted to so conform.

Recovery of Dental Insurance Overpayments

We have the right to recover any amount that We determine to be an overpayment for services received by a Covered Person.

An overpayment occurs if We determine that:

- the total amount paid by Us on a claim for Dental Insurance is more than the total of the benefits due to You under this certificate; or
- payment We made should have been made by another group plan.

If such overpayment occurs, You have an obligation to reimburse Us.

11. GENERAL POLICY PROVISIONS (continued)

How We Recover Overpayments

We may recover the overpayment from You by:

- stopping or reducing any future benefits payable for Dental Insurance;
- demanding an immediate refund of the overpayment from You; and
- taking legal action.

If the overpayment results from Our having made a payment to You that should have been made under another group plan, We may recover such overpayment from one or more of the following:

- any other insurance company;
- any other organization; or
- any person to or for whom payment was made.

11. GENERAL POLICY PROVISIONS (Continued)

Coordination Of The Group Policy's Benefits With Other Benefits

The Coordination of Benefits (COB) provision applies when a Covered Person has dental care coverage under more than one plan. "Plan" is defined below.

The order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total Allowable Expense.

Definitions

- A. A **"Plan"** is any of the following that provides benefits or services for dental care or treatment. However, if separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.
- (1) "Plan" includes: group insurance contracts, health maintenance organization (HMO) contracts, closed panel plans or other forms of group or group-type coverage (whether insured or uninsured); dental care components of long-term care contracts; dental benefits under group or individual automobile contracts; and Medicare or any other federal governmental plan, as permitted by law.
 - (2) "Plan" does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident type coverage; benefits for non-dental components of long-term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental plans, unless permitted by law.
- Each contract for coverage under (1) or (2) is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.
- B. **"This Plan"** means, in a COB provision, the part of the contract providing the dental care benefits to which the COB provision applies and which may be reduced because of the benefits of other Plans. Any other part of the contract providing dental care benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as orthodontic benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.
- C. The order of benefit determination rules determine whether This Plan is a "Primary Plan" or "Secondary Plan" when compared to another Plan covering the covered person. When This Plan is primary, its benefits are determined before those of any other Plan and without considering any other Plan's benefits. When This Plan is secondary, its benefits are determined after those of another Plan and may be reduced because of the Primary Plan's benefits, so that all Plan benefits do not exceed 100% of the total Allowable Expense.
- D. **"Allowable Expense"** is a dental care expense, including deductibles, coinsurance and copayments, that is covered at least in part by any Plan covering the covered person. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid. An expense that is not covered by any Plan covering the covered person is not an Allowable Expense. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging a covered person is not an Allowable Expense.

11. GENERAL POLICY PROVISIONS (Continued)

Coordination Of The Group Policy's Benefits With Other Benefits (continued)

The following are examples of expenses that are not Allowable Expenses:

- (1) If a covered person is covered by 2 or more Plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable Expense.
 - (2) If a covered person is covered by 2 or more Plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable Expense.
 - (3) If a covered person is covered by one Plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary Plan's payment arrangement shall be the Allowable Expense for all Plans. However, if the provider has contracted with the Secondary Plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the Primary Plan's payment arrangement and if the provider's contract permits, the negotiated fee or payment shall be the Allowable Expense used by the Secondary Plan to determine its benefits.
 - (4) The amount of any benefit reduction by the Primary Plan because a person has failed to comply with the Plan provisions is not an Allowable Expense. Examples of these types of plan provisions include second opinions and preferred provider arrangements.
 - (5) If the Primary Plan is a Closed Panel Plan with no out-of-network benefits and the secondary plan is not a Closed Panel Plan, the secondary Plan shall pay or provide benefits as if it were primary when no benefits are available from the Primary Plan because the covered person uses a non-panel provider, except for emergency services that are paid or provided by the primary.
- E. **"Claim Determination Period"** is usually a calendar year, but a Plan may use some other period of time that fits the coverage of the group contract. A person is covered by a Plan during a portion of a Claim Determination Period if that person's coverage starts or ends during the Claim Determination Period. However, it does not include any part of a year during which a person has no coverage under This Plan, or before the date this COB provision or a similar provision takes effect.
- F. **"Closed Panel Plan"** is a Plan that provides dental benefits to covered persons primarily in the form of services through a panel of providers that have contracted with either directly or indirectly or are employed by the Plan, and that limits or excludes benefits for services provided by other providers, except in cases of emergency or referral by a panel member.
- G. **"Custodial Parent"** means a parent awarded primary custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.

Order-Of-Benefit Determination Rules

When two or more plans pay benefits, the rules for determining the order of payment are as follows:

- A. The Primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other Plan.
- B. Except as provided in paragraph (2), a Plan that does not contain a coordination of benefits provision that is consistent with this regulation is always primary unless the provisions of both Plans state that the complying Plan is primary.

Coverage that is obtained by virtue of being members in a group, and designed to supplement part of the basic package of benefits, may provide supplementary coverage that shall be in excess of any

Coordination Of The Group Policy's Benefits With Other Benefits (continued)

other parts of the plan provided by the contract holder. An example of this type of situation is insurance type coverage that is written in connection with a Closed Panel Plan to provide out-of-network benefits.

- C. A Plan may consider the benefits paid or provided by another Plan in determining its benefits only when it is secondary to that other Plan.
- D. The first of the following rules that describes which Plan pays its benefits before another Plan is the rule to use.
- (1) **Non-Dependent or Dependent.** The Plan that covers the person other than as a dependent, for example as an employee, member, subscriber or retiree is primary and the Plan that covers the person as a dependent is secondary. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan covering the person as a dependent; and primary to the Plan covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the two Plans is reversed so that the Plan covering the person as an employee, member, subscriber or retiree is secondary and the other Plan is primary.
- (2) **Dependent Child Covered Under More Than One Plan.** Unless there is a court decree stating otherwise, when a Dependent Child is covered by more than one Plan the order of benefits is determined as follows:
- (a) For a Dependent Child whose parents are married or are living together, whether or not they have ever been married:
- (i) The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or
 - (ii) If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.
- (b) For a Dependent Child whose parents are divorced or separated or not living together, whether or not they have ever been married:
- (i) If a court decree states that one of the parents is responsible for the Dependent Child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to plan years commencing after the Plan is given notice of the court decree;
 - (ii) If a court decree states that both parents are responsible for the Dependent Child's health care expenses or health care coverage, the provisions of Subparagraph (a) above shall determine the order of benefits;
 - (iii) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the Dependent Child, the provisions of Subparagraph (a) above shall determine the order of benefits; or
 - (iv) If there is no court decree allocating responsibility for the Dependent Child's health care expenses or health care coverage, the order of benefits for the Child are as follows:
 - The Plan covering the Custodial Parent;
 - The Plan covering the spouse of the Custodial Parent;
 - The Plan covering the non-custodial parent; and then
 - The Plan covering the spouse of the non-custodial parent.

11. GENERAL POLICY PROVISIONS (Continued)

Coordination Of The Group Policy's Benefits With Other Benefits (continued)

- (c) For a Dependent Child covered under more than one Plan of individuals who are not the parents of the Child, the provisions of Subparagraph (a) or (b) above shall determine the order of benefits as if those individuals were the parents of the Child.
- (3) **Active Employee or Retired or Laid-off Employee.** The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan covering that same person as a retired or laid-off employee is the Secondary Plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D(1) can determine the order of benefits.
- (4) **COBRA or State Continuation Coverage.** If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary Plan and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D(1) can determine the order of benefits.
- (5) **Longer or Shorter Length of Coverage.** The Plan that covered the person as an employee, member, policyholder, subscriber or retiree longer is the Primary Plan and the Plan that covered the person the shorter period of time is the Secondary Plan.
- (6) If the preceding rules do not determine the order of benefits, the allowable expenses shall be shared equally between the Plans meeting the definition of Plan. In addition, This Plan will not pay more than it would have paid had it been the Primary Plan.

Effect On The Benefits Of This Plan

- A. When This Plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans during a plan year are not more than the total Allowable Expenses. In determining the amount to be paid for any claim, the Secondary Plan will calculate the benefits it would have paid in the absence of other dental care coverage and apply that calculated amount to any Allowable Expense under its Plan that is unpaid by the Primary Plan. The Secondary Plan may then reduce its payment by the amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all Plans for the claim do not exceed the total Allowable Expense for that claim. In addition, the Secondary Plan shall credit to its plan deductible any amounts it would have credited to its deductible in the absence of other dental care coverage.
- B. If the Primary Plan is a Closed Panel Plan, and the Secondary Plan is not a Closed Panel Plan, the Secondary Plan shall pay or provide benefits as if it were the Primary Plan when a covered person uses a non-panel provider, except for emergency services or authorized referrals that are paid or provided by the primary provider.
- C. If a Covered Person is enrolled in two or more Closed Panel Plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one Closed Panel Plan, COB shall not apply between that Plan and other Closed Panel Plans.

Right To Receive And Release Needed Information

Certain facts about dental care coverage and services are needed to apply these COB rules and to determine benefits payable under This Plan and other Plans. We may get the facts We need from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under This Plan and other Plans covering the person claiming benefits. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give Us any facts We need to apply those rules and determine benefits payable.

11. GENERAL POLICY PROVISIONS (Continued)

Coordination Of The Group Policy's Benefits With Other Benefits (continued)

Facility Of Payment

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, We may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services.

Right Of Recovery

If the amount of the payments made by Us is more than We should have paid under this COB provision, We may recover the excess from one or more of the persons We have paid or for whom We have paid; or any other person or organization that may be responsible for the benefits or services provided for the covered person. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

12. TERMINATION / NONRENEWAL / CONTINUATION

DATE INSURANCE ON YOUR DEPENDENTS ENDS

A Dependent's insurance will end on the earliest of:

1. the date You die;
2. the date Dental Insurance on You ends;
3. the date You cease to be in an eligible class;
4. the date the Group Policy ends;
5. the date insurance for Your Dependents ends under the Group Policy;
6. the date insurance for Your Dependents ends for Your class;
7. the end of the period for which the last premium has been paid for the Dependent;
8. the last day of the calendar month the person ceases to be a Dependent; or
9. the date You cease to be a Member of the National Wellness and Fitness Association, Inc.

In certain cases insurance may be continued as stated in the section entitled CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT.

12. TERMINATION / NONRENEWAL / CONTINUATION(Continued)

Other Continuation Options

For Mentally or Physically Handicapped Children

Insurance for a Dependent Child may be continued past the age limit if that child is incapable of self-sustaining employment because of A mental or physical handicap as defined by applicable law. Proof of such handicap must be sent to Us within 31 days after the date the Child attains the age limit and at reasonable intervals after such date.

Subject to the date insurance on Your Dependents ends in the section entitled TERMINATION / NONRENEWAL / CONTINUATION, insurance will continue while such Child:

- remains incapable of self-sustaining employment because of a mental or physical handicap; and
- continues to qualify as a Child, except for the age limit.

13. APPEALS AND COMPLAINTS

Appealing the Initial Determination

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of employee
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why You are appealing the initial determination.

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

External Appeals

If You receive an adverse determination on the first internal appeal, or the voluntary second appeal if applicable, You have the right to request an independent external appeal. You will also have the right to an external appeal in the event We fail to comply with the internal appeal provisions cited above.

You must submit Your appeal to Us at the address indicated on the claim form within:

- 4 months after the date of an adverse determination on the first internal appeal; or
- 60 days after the date of an adverse determination of the second voluntary appeal, if applicable.

Appeals must be in writing and must include a completed external review request form specified by the Colorado Division of Insurance. If We deny Your request for an external review, we will do so in writing and include procedures for You to appeal the denial of the request with the Colorado Division of Insurance.

The Colorado Division of Insurance will assign an independent external review entity, whose claims review decision is final and binding. The independent entity will make a final determination within 45 days after the

date of receipt of the request for external review. If the review entity overturns our claims determination, We will pay the claim within 5 business days of such determination.

Policies and Procedures for Urgent Care Claims

All In-Network Dentists are required to have 24-hour emergency coverage or have alternate arrangements for emergency care for their patients. Since the MetLife Preferred Dentist Program is a freedom-of-choice PPO program, there is no primary care physician or primary dentist. No authorization of a service is necessary by a primary care physician or primary dentist, nor is it necessary to obtain a preauthorization for services. The Covered Person is free to use the Dentist of his or her choice.

An important distinction to be made for this section is the difference between urgent care in a dental insurance situation versus that applicable to medical insurance. Urgent care is defined more narrowly for dental insurance to mean the alleviation of severe pain (as there are no life-threatening situations in dental care). Additionally, the alleviation of pain in dental care is a simple palliative treatment, which is not subject to claim review.

The benefit amount will be consistent with the terms of the Group Policy.

Urgent Care Claim Submission

A small number of claims for Dental Insurance may be urgent care claims. "Urgent Care Claims" for Dental Insurance are claims for reimbursement of dental expenses for services which a Dentist familiar with the dental condition determines would subject the patient to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. Of course any such claim may always be submitted in accordance with the normal claim procedures. However, your Dentist may also submit such a claim to Us by telephoning and informing Us that the claim is an Urgent Care Claim. Urgent Care Claims are processed according to the procedures set out above. However, once a claim for urgent care is submitted, We will notify You of the determination on the claim as soon as possible, but no later than 72 hours after the claim is filed. If You do not provide Us with enough information to decide the claim, We will notify You within 24 hours after We receive the claim of the further information that is needed.

We will provide You with a reasonable period of time to submit the necessary information, but in no event less than 48 hours. We will notify You of the claim decision within 48 hours after the earlier of:

- Our receipt of the requested information; and
- The end of the specified period of time in which You have to provide Us the requested information.

If We deny Your Urgent Care Claim in whole or in part, the notification of the claims decision will state the reason why Your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied based on a service not being Dentally Necessary or experimental in nature, the notification of the claims decision will state the scientific or clinical basis for the determination, and how such determination applies to the plan. If the claim is denied because We did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criterion was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. We may notify You of an Urgent Claim denial orally or in Writing. If denied orally, We will provide You with a Written denial within 3 days of the oral denial.

Time Limit on Legal Actions for Dental Insurance

A legal action on a claim for Dental Insurance benefits may only be brought against Us during a certain period. This period begins 60 days after the date Proof is filed and ends 3 years after the date such Proof is required.

In addition, we may disclose a deceased's person's PHI to a family member or individual involved in the care or payment for care of the deceased person unless doing so is inconsistent with any prior expressed preference of the deceased person which is known to us.

- **Other Uses of PHI:** Other uses and disclosures of PHI not covered by this notice and permitted by the laws that apply to us will be made only with your written authorization or that of your legal representative. If we are authorized to use or disclose PHI about you, you or your legally authorized representative may revoke that authorization in writing at any time, except to the extent that we have taken action relying on the authorization or if the authorization was obtained as a condition of obtaining your Coverage. You should understand that we will not be able to take back any disclosures we have already made with authorization.

Your Rights Regarding Protected Health Information That We Maintain About You

The following are your various rights as a consumer under HIPAA concerning your PHI. Should you have questions about or wish to exercise a specific right, please contact us in writing at the applicable Contact Address listed on the last page.

- **Right to Inspect and Copy Your PHI:** In most cases, you have the right to inspect and obtain a copy

of the PHI that we maintain about you. If we maintain the requested PHI electronically, you may ask us to provide you with the PHI in electronic format, if readily producible; or, if not, in a readable electronic form and format agreed to by you and us. To receive a copy of your PHI, you may be charged a fee for the costs of copying, mailing, electronic media, or other supplies associated with your request. You may also direct us to send the PHI you have requested to another person designated by you, so long as your request is in writing and clearly identifies the designated individual. However, certain types of PHI will not be made available for inspection and copying. This includes psychotherapy notes or PHI collected by us in connection with, or in reasonable anticipation of, any claim or legal proceeding. In very limited circumstances, we may deny your request to inspect and obtain a copy of your PHI. If we do, you may request that the denial be reviewed. The review will be conducted by an individual chosen by us who was not involved in the original decision to deny your request. We will comply with the outcome of that review.

- **Right to Amend Your PHI:** If you believe that your PHI is incorrect or that an important part of it is missing, you have the right to ask us to amend your PHI while it is kept by or for us. You must specify the reason for your request. We may deny your request if it is not in writing or does not include a reason that supports the request. In addition, we may deny your request if you ask us to amend PHI that:

- is accurate and complete;
- was not created by us, unless the person or entity that created the PHI is no longer available to make the amendment;
- is not part of the PHI kept by or for us; or
- is not part of the PHI which you would be permitted to inspect and copy.

- **Right to a List of Disclosures:** You have the right to request a list of the disclosures we have made of your PHI. This list will not include disclosures made for treatment, payment, health care operations, purposes of national security, to law enforcement, to corrections personnel, pursuant to your authorization, or directly to you. To request this list, you must submit your request in writing. Your request must state the time period for which you want to receive a list of disclosures. You may only request an accounting of disclosures for a period of time less than six years prior to the date of your request. Your request should indicate in what form you want the list (for example, paper or electronic). The first list you request within a 12-month period will be free. We may charge you for responding to any additional requests. We will notify you of the cost involved, and you may choose to withdraw or modify your request at that time before you incur any cost.

- **Right to Request Restrictions:** You have the Right to request a restriction or limitation on PHI we

Use or disclose about you for treatment, payment, or health care operations, or that we disclose to someone who may be involved in your care or payment for your care, like a family member or friend. While we will consider your request, **we are not required to agree to it.** If we do agree to it, we will comply with your request. To request a restriction, you must make your request in writing. In your request, you must tell us (1) what information you want to limit; (2) whether you want to limit our use, disclosure or both; and (3) to whom you want the limits to apply (for example, disclosures to your spouse or parent). We will not agree to restrictions on PHI uses or disclosures that are legally required, or which are necessary to administer our business.

- **Right to Request Confidential**

Communications : You have the right to request that we communicate with you about PHI in a certain way or at a certain location if you tell us that communication in another manner may endanger you. For example, you can ask that we only contact you at work or by mail. To request confidential communications, you must make your request in writing and specify how or where you wish to be contacted. We will accommodate all reasonable requests.

Uniformed Services Employment And Reemployment Rights Act

This section describes the right that you may have to continue coverage for yourself and your covered dependents under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

Continuation of Group Dental Insurance:

If you take a leave from employment for “service in the uniformed services,” as that term is defined in USERRA, and as a consequence your dental insurance coverage under your employer’s group dental insurance policy ends, you may elect to continue dental insurance for yourself and your covered dependents, for a limited period of time, as described below.

The law requires that your employer notify you of your rights, benefits and obligations under USERRA including instructions on how to elect to continue insurance, the amount and procedure for payment of premium. If permitted by USERRA, your employer may require that you elect to continue coverage within a period of time specified by your employer.

You may be responsible for payment of the required premium to continue insurance. If your leave from employment for service in the uniformed services lasts less than 31 days, your required premium will be no more than the amount you were required to pay for dental insurance before the leave began; for a leave lasting 31 or more days, you may be required to pay up to 102% of the total dental insurance premium, including any amount that your employer was paying before the leave began.

Your and your covered dependents’ insurance that is continued pursuant to USERRA will end on the earliest of the following:

- the end of 24 consecutive months from the date your leave from employment for service in the uniformed services begins; or
- the day after the date on which you fail to apply for, or return to employment, in accordance with USERRA.

You and your covered dependent may become entitled to continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act (“COBRA”) while you have dental insurance coverage under your employer’s group dental insurance policy pursuant to USERRA. Contact your employer for more information.

The following addenda apply to residents of New Hampshire.

CONSUMER GUIDE TO EXTERNAL APPEAL

What is an External Appeal?

New Hampshire law gives individuals who are covered by fully-insured, health or dental insurance plans the right to have a nationally-accredited, independent, medical review organization (IRO), which is not affiliated with his/her insurance company, review and assess whether the company's denial of a specific claim or requested service or treatment is justified. This type of review is available when a recommended service or treatment is denied on the basis that it does not meet the insurer's requirements for medical necessity, appropriateness, health care setting, and level of care or effectiveness. This review is often called Independent External Appeal, **External Appeal**, External Health Review or simply External Review.

What are the eligibility requirements for External Appeal?

To be eligible for External Appeal the following conditions must be met:

- The patient must have a fully-insured health or dental insurance plan.
- The service that is the subject of the appeal request must be either a) a covered benefit under the terms of the insurance policy or b) a treatment that may be a covered benefit.
- Unless the patient meets the requirements for Expedited External Review (see below), the patient must have completed the Internal Appeal process provided by the insurer and have received a final, written decision from the insurer relative to its review.
 - Exception #1: The patient does not need to meet this requirement, if the insurer agrees in writing to allow the patient to skip its Internal Appeal process.
 - Exception #2: If the patient requested an internal appeal from the insurer, but has not received a decision from the insurer within the required time frame, the patient may apply for External Appeal without having received the insurer's final, written decision.
- The patient must submit the request for External Appeal to the Department within 180 days from the date appearing on the insurance company's letter, denying the requested treatment or service at the final level of the company's Internal Appeals process.
- The patient's request for External Appeal may not be submitted for the purpose of pursuing a claim or allegation of healthcare provider malpractice, professional negligence, or other professional fault.

What types of health insurance are excluded from External Appeal?

In general, External Appeal is available for most health insurance coverage. Service denials relating to the following types of insurance coverage or health benefit programs are not reviewable under New Hampshire's External Appeal law:

- Medicaid (except for coverage provided under the NH Premium Assistance Program)
- The New Hampshire Children's Health Insurance Program (CHIP)
- Medicare
- All other government-sponsored health insurance or health services programs.
- Health benefit plans that are self-funded by employers
 - Note: Some self-funded plans provide external appeal rights which are administered by the employer.

Can someone else represent me in my External Appeal?

Yes. A patient may designate an individual, including the treating health care provider, as his/her representative. To designate a representative, the patient must complete Section II of the External Review Application Form entitled "Appointment of Authorized Representative."

Submitting the External Appeal:

To request an External Appeal, the patient or the designated representative must complete and submit the External Review Application Form, available on the Department's website (www.nh.gov/insurance), and all supporting documentation to the New Hampshire Insurance Department. There is no cost to the patient for an External Appeal.

Please submit the following documentation:

- The completed External Review Application Form - signed and dated on page 6.
- ** The Department cannot process this application without the required signature(s) **
- A photocopy of the front and back of the patient's insurance card or other evidence that the patient is insured by the insurance company named in the appeal.
- A copy of the insurance company's letter, denying the requested treatment or service at the final level of the company's internal appeals process.
- Any medical records, statements from the treating health care provider(s) or other information that you would like the review organization to consider in its review.
- If requesting an Expedited External Appeal, the Provider's Certification Form.

If you have questions about the application process or the documentation listed above, please call the Insurance Department at 1-800-852-3416.

Mailing Address:

New Hampshire Insurance Department
Attn: External Review Unit
21 South Fruit Street, Suite 14
Concord, NH 03301

Expedited External Review Applications

- → May be faxed to (603) 271-1406, or
- → Sent by overnight carrier to the Department's mailing address.

What is the Standard External Appeal Process and Time Frame for receiving a Decision?

It may take up to 60 days for the Independent Review Organization (IRO) to issue a decision in a Standard External Appeal.

- Within 7 business days after receiving your application form, the Insurance Department (the Department) will complete a preliminary review of your application to determine whether your request is complete and whether the case is eligible for external review.
 - If the request is not complete, the Department will inform the applicant what information or documents are needed in order to process the application. The applicant will have 10 calendar days to supply the required information or documents.
- If the request for external appeal is accepted, the Department will select and assign an IRO to conduct the external review and will provide a written notice of the acceptance and assignment to the applicant and the insurer.
- Within 10 calendar days after assigning your case to an IRO, the insurer must provide the applicant and the IRO a copy of all information in its possession relevant to the appeal.
- If desired, the applicant may submit additional information to the IRO by the 20th calendar day after the date the case was assigned to the selected IRO. During this period, the applicant may also present oral testimony via telephone conference to the IRO. However, oral testimony will be permitted only in cases where the Insurance Commissioner determines that it would not be feasible or appropriate to present only written information.
 - To request a “teleconference,” complete Section VII of the application form entitled “Request for a Telephone Conference” or contact the Department no later than 10 days after receiving notice of the acceptance of the appeal.
- By the 40th calendar day after the date the case was assigned to the selected Independent Review Organization, the IRO shall a) review all of the information and documents received, b) render a decision upholding or reversing the determination of the insurer, and c) notify in writing the applicant and the insurer of the IRO’s review decision.

What is an Expedited External Appeal?

Whereas a Standard External Appeal may take 60 days, Expedited External Appeal is available for those persons who would be significantly harmed by having to wait. An applicant may request expedited review by checking the appropriate box on the External Review Application Form and by providing a Provider’s Certification Form, in which the treating provider attests that in his/her medical opinion adherence to the time frame for standard review would seriously jeopardize the patient’s life or health or would jeopardize the patient’s ability to regain maximum function. Expedited reviews must be completed in 72 hours.

If the applicant is pursuing an internal appeal with the insurer and anticipates requesting an Expedited External Appeal, please call the Department at 800-852-3416 to speak with a consumer services officer, so that accommodations may be made to receive and process the expedited request as quickly as possible.

Please note a patient has the right to request an Expedited External Appeal simultaneously with the insurer’s Expedited Internal Appeal.

What happens when the Independent Review Organization makes its decision?

- If the appeal was an Expedited External Appeal, in most cases the applicant and insurer will be notified of the IRO's decision immediately by telephone or fax. Written notification will follow.
- If the appeal was a Standard External Appeal, the applicant and insurer will be notified in writing.
- The IRO's decision is binding on the insurer and is enforceable by the Insurance Department. The decision is also binding on the patient except that it does not prevent the patient from pursuing other remedies through the courts under federal or state law.

Have a question or need assistance?

**Staff at the Insurance Department is available to help.

INDEPENDENT EXTERNAL REVIEW Appealing a Denied Medical or Dental Claim

New Hampshire law gives individuals who are covered by fully-insured, health or dental insurance plans the right to have a nationally-accredited, independent, medical review organization (IRO), which is not affiliated with his/her health insurance company, review and assess whether the company's denial of a specific claim or requested service or treatment is justified. These reviews are available when a recommended service or treatment is denied on the basis that it does not meet the insurer's requirements for medical necessity, appropriateness, health care setting, level of care or effectiveness. This review is called Independent External Appeal, External Health Review or simply **External Review**.

There is no cost to the patient for an external review.

To be eligible for **Standard External Review**, the patient must (1) have a fully-insured health or dental insurance plan, (2) have completed the insurer's internal appeal process, and (3) have received a final denial of services from the insurer. A standard external review must be submitted to the Insurance Department within 180 days of the insurance company's final denial and may take up to 60 days for the IRO to make its decision.

To be eligible for **Expedited External Review**, the patient must (1) have a fully-insured health or dental insurance plan, and (2) the treating provider must certify that delaying treatment will seriously jeopardize the life or health of the patient or will jeopardize the patient's ability to regain maximum function. IROs must complete expedited reviews within 72 hours. An expedited external review may be requested and processed at the same time the patient pursues an expedited internal appeal directly with the insurance company.

For more information about external reviews, see the Insurance Department's Consumer Guide to External Review, available at www.nh.gov/insurance, or call 800-852-3416 to speak with a Consumer Services Officer.

PROVIDER'S CERTIFICATION FORM

For Expedited Consideration of a Patient's External Review

NOTE TO THE TREATING HEALTH CARE PROVIDER

The New Hampshire Insurance Department administers the external review process for all fully-insured health and dental plans in New Hampshire. A patient may submit an application for External Review, when his/her health or dental insurer has denied a health care service or treatment, including a prescription, on the basis that the requested treatment or service does not meet the insurer's requirements for medical necessity, appropriateness, health care setting, level of care or effectiveness.

The time frame for receiving a decision from an Independent Review Organization (IRO) for a Standard External Review is up to 60 days. Expedited External Review is available, **only if** the patient's treating health care provider certifies that, in his/her professional judgment, adherence to the time frame for standard review **would seriously jeopardize the life or health of the covered person or would jeopardize the covered person's ability to regain maximum function.** The time frame for receiving a decision from an IRO for an Expedited External Review is within 72 hours. An Expedited External Review may be requested and processed at the same time the patient pursues an Expedited Internal Appeal directly with the insurance company.

**** Expedited External Review is not available, when services have already been rendered ****
