Debt Module

Helps you take control of your debt, gain insight on your total debt, and form a plan to eliminate your debt your way.

Investment Module

Teaches you basic investing terms and shows you how to research your options when opening a brokerage account.

Budgeting Module

Look at your finances holistically and create a plan that can help you reach your saving, spending, and giving goals.

Car-Buying Checklist

Helps you find out the actual cost of a car, see comparisons of paying cash, financing, or leasing, and provides advice on which car to choose for your needs and budget.

Credit Card Module

Helps you shop credit card options and browse gotchas so you can make an informed purchasing decision and easily manage your credit.

College Module

Provides information on the cost of private and public colleges, college savings plans, and other ways to fund college.

Gifts Module

Teaches you how to save in taxes, grow your giving, and helps you create a personalized plan for reaching your giving goals.

Goals Module

Guides you on how to fund specific personal goals, whether in the short term or among those you want to reach in the future.

House Module

Lower your real estate stress and get advice on whether you should rent or buy, determine a home value you can afford, and get advice on refinancing and paying off your mortgage.

Medical Checklist

Demystifies health insurance and explains the differences among FSA, HSA, and HRA, helping you pick an insurance plan that's right for you.

Loans Module

Assists you in managing existing debt or finding the right loan for your needs.

Retirement Module

Provides tools and information regarding IRA fees, retirement planning, and saving for retirement.
